

## SOFT TO THE TOUCH, YET TOUGH TO THE CORE

Bella Dura® HOME is so easy to clean, blotting or using a mild soap solution typically does the trick.

### CLEANING INSTRUCTIONS

#### GENERAL

Lightly brush off any excess debris. Prepare a cleaning solution of 1 part soap to 10 parts water. Spray fabric with solution and use a sponge or soft bristle brush to clean, making sure that the fabric is completely soaked through. Rinse thoroughly with clean water and allow fabric to air dry.

#### TOUGH STAINS

Prepare a cleaning solution of 1 part bleach to 4 parts water. Soak the entire trouble spot with the cleaning solution and scrub with a sponge or soft bristle brush until stain is removed. Apply more solution as necessary. Rinse thoroughly with clean water and allow fabric to air dry. If the problem area is severe, the amount of bleach in the solution may be increased as needed.

#### LAUNDERING

Wash on gentle cycle cold water; air dry. Do not expose to high heat.

DO NOT DRY CLEAN, DO NOT STEAM, DO NOT IRON
